Dear General Shepherd:

It has been brought to my attention that Brigadier General Leonard E. Rea will retire on 30 November 1953 after more than thirty-five years of exemplary service with the United States Marine Corps.

I wish to express my personal appreciation for the many valuable services and the splendid cooperation contributed to the Central Intelligence Agency by the Marine Corps, much of which was due to General Rea's personal interest.

Please extend to General Rea on behalf of myself and his many friends in the Agency, our wishes for many years of good health and enjoyable relaxation.

Sincerely,
